OUR PROCESS

Mission

When it comes to buying clothes, what people tend to look the most is design, fabric and size. At various stores, either proper size is not available, or there's a defect in design or the fabric is too hard or not so color fast. But at Pennywort Clothing store, nothing is like all the aforesaid. Customers would get the most soft, skin-friendly clothes which are high on design, comfort and appearance. Located in Adimaly, Kerala (India), we specialize in designing and manufacturing Men's Bermuda, Men's T Shirts, V Neck Shirt, and various other types of clothes.
